**Contract Services**

Contractual fees may vary depending on clinical or administrative services required, and by contractual relationship or by law; i.e. Medicaid, Medicare, Schools, Federal/State Probation, Jails/Courts, CSA Non-Mandated, etc.

\* In Home Support rates are determined by the group size

\*\* Records will be provided gratis to health and mental health providers and third party payers. Payment from other sources is due within 30 days of invoice.

\*\*\* ICF/IID rates are established annually via cost settlement audit

\*\*\*\* Waiver Home per diem rates are established by DMAS based on the size of the home and level of care
